

MICROCOVERT: FOR THE TRACKING AND RECOVERY OF NON POWERED ASSETS.

Laipac's solution for tracking and recovery of non-powered assets is a low cost system that provides peace of mind, while reducing expenses caused by stolen assets. It also provides a clear view into the location of assets on a day to day basis.

KEY FEATURES

Microcovert: effectively tracks, manages and recovers your valuable non-powered assets.

Selectable reporting periods: reporting interval is user selectable from seconds through hours.

Industrial Lithium Ion Battery: Operates up to a year in sleep mode with a 21 Ah battery, up to 4 months in sleep mode with an 8 AH battery.

Rapid Covert Installation: pelican case with magnetic mounts for quick installation and removal.

Real-time Locate: Assisted GPS GSM/GPRS allow asset location tracking in and out of doors.

Remote Control: Using your web browser, or apps for iOS and Android.

Reporting of multiple events: Using email and SMS messages for shock, movement, over-speed and mileage alerts as examples.

Exportable Historical Reporting: data can be exported to multiple formats such as csv, Excel and others.

SOLUTIONS FOR

- Compressors
- Construction Materials
- Generators
- Trailers
- Waste Bins
- Welding Equipment

PHYSICAL

Dimensions	7.50" x 3.87" x 2.43" (19 x 9.8 x 6.2 cm)
Weight	2.1 lb (0.95 kg)
Material	Hardened Poly Carbonate
Battery Consumption Example for a 21Ah battery	280 days reporting once a day 240 days reporting twice a day 25 days reporting every 15 minutes

ENVIRONMENTAL

Operations	Watertight*, crushproof, and dust proof <i>*Case is submersible under 1 meter of water for up to 30 minutes in accordance with IP67 requirements</i>
Temperature Range	-20C to +50C

RECEIVERS

GPS Receiver	SIRF 4 GPS Receiver 48 Ch w/EGNOS/WAAS
---------------------	--

WIRELESS COMMUNICATIONS

GSM/GPRS Quad band 850/900/1800/1900MHz

PARTNER INFORMATION

COMPLIANCE/CERTIFICATIONS

FCC Part 15 Class B, Industry Canada, PTCRB, CE, RoHS

NETWORK OPERABILITY

T-Mobile - 120 countries/global roaming included coverage in 120+ countries with carries including: Telstra(Australia), Telcel(Mexico), Claro(Argentina/Chile), Movistar(Uruguay), T-Mobile(Germany) KPN(Netherland/Germany), Turkcell (Turkey), TIM(Italy), Far East(Taiwan), Claro(Ecuador), Telefonica VIVO(Brazil), Telefonica(Spain)

Specifications subject to change without notice.
